

After Tryout information:

1. What happens if my name isn't listed

Thank you to all that have tried out for Spirit! As much as we'd love all athletes to make a team, we are limited in our spots and amount of teams available. We have offered contracts to the exact number of athletes to field the amount of teams that we have to offer.

With that being said, we are aware that not every athlete will accept our contracts. Because of this, athletes that are not contracted are ranked and put on a waitlist. We will reach out to those families if a spot becomes available. Contracted athletes have 10 days from the day that their name is posted on the website to accept the offer.

2. Can I know my athletes' ranking?

While we would love to disclose that information, in respect to our time and the process, we would prefer not having to send out this information. We don't want athletes comparing themselves to others and being more concerned about where they are ranked versus improving their skills.

3. What is the best way to reach out if I do have a question?

To be able to document and have a trail of conversation for both directors, we would love for you to reach out via email to start: spiritadmins@spiritvbc.com. Please be sure to include your athlete's first and last name, age they tried out for and what it is that you would like to reach out about. If you would prefer a phone call back, please include a phone number for us to reach you at.
